Door Linings

- Designed to work with our range of doors only
- 2 year guarantee
- Genuine engineered Oak
- Cut down to size to fit your door frame

Our door linings come in various sizes ensuring it will fit perfectly into your home, our internal door linings are made with genuine engineered oak.

Our door linings match our doors keeping your doorways and rooms looking organised, stylish and sophisticated.

Engineered oak is made to last longer than solid oak, needing to be treated less and has less chance of warping.

5G Clic-System

Installing a floor becomes child's play: A fingertip is enough to join panels - simply unpack, lay, snap together and done! No effort involved - your hammer and block can stay in the toolbox.

- Much easier to install
- Up to 50% quicker to install
- No hammer, tapping block and pulling bar required
- Safe and stable
- You can walk on the floor immediately after installation

Flooring Accessories Underlay

CU05

SELITAC 5mm

Add an extra layer of protection and insulation before installing your new flooring with SELITAC 5mm.

CU05AS

SELITAC 5mm Aqua Stop

Offering the same premium benefits of the SELITAC 5mm with an added integrated vapour barrier, the SELITAC 5mm Aqua Stop is ideal for use in rooms above showers, washing rooms, or where there known damp.

CU22

SELITAC 2,2mm

Before you lay your new laminate or hardwood flooring, make sure you have installed a quality underlay. This underlayment is perfect for those who prefer to DIY, as the easy lay, easy click and easy cut system removes the frustration of installing normal underlay.

CU22ASPRO

SELITPRO 2,2mm TwinFoil AquaStop

The SELITPRO 2.2mm TwinFoil AquaStop underlay is doubly effective when it comes to combatting the effects of moisture on wooden flooring.
