CNC and robotic equipment is used to finish and polish the raw cast levers, saving time and money, whilst producing quality products, consistently.

**Ecotech**<sup>®</sup>  
Ecological chrome  
and varnish finishing.

**Ecotech**<sup>®</sup>  
Ecological chrome  
and varnish finishing.

Ecotech® ... because we care  
Environmentally  
friendly technology.

This innovative method, using nanotechnology, has a peculiarity that the coating takes place in a vacuum environment. This proceeding is characterised by a dry, cold and without chemical finishing process. This pollution free manufacturing technology produces negligible waste, and minimal energy is used to produce a finish that is strong, durable and environmentally friendly.

In contrast, electroplating or galvanization involves toxic chemicals.

These procedures are harmful to the environment and potentially harmful to personnel. The production costs and health inspections required, the huge use of water and electricity to maintain a standard production plant are almost 10 times that of Ecotech.

### Why Ecotech® ?:

- **Cleaner technology**
- **High resistance to abrasion**
- **High chemical resistance**
- **Uniform coating**
- **Unbreakable bond between finish and metal**
- **Possibilities of achieving innovative colours**
- **ECOTECH® is used for both brass and zamac products.**

# ATLANTIC UK TERMS AND CONDITIONS

## 1. INTERPRETATION

- 1.1 The definitions and rules of interpretation in this condition apply in these conditions.  
Buyer: the person, firm or company who purchases the Goods from the Supplier.  
Contract: any contract between the Supplier and the Buyer for the sale and purchase of the Goods, incorporating these conditions.  
Goods: any goods agreed in the Contract to be supplied to the Buyer by the Supplier (including any part or parts of them).  
Supplier: Chase Atlantic Limited, a Limited Company formed under the Limited Companies Act 2006, trading as Atlantic UK.  
1.2 A reference to a particular law is a reference to it as it is in force for the time being taking account of any amendment, extension, application or re-enactment and includes any subordinate legislation for the time being in force made under it.  
1.3 Words in the singular include the plural and in the plural include the singular.  
1.4 A reference to one gender includes a reference to the other gender.  
1.5 Condition headings do not affect the interpretation of these conditions.

## 2. APPLICATION OF TERMS

- 2.1 Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).  
2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.  
2.3 These conditions apply to all the Supplier's sales (other than sales to consumers) and any variation to these conditions and any representations about the Goods shall have no effect unless expressly agreed in writing and signed by a partner of the Supplier. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Supplier which is not set out in the Contract. Nothing in this condition shall exclude or limit the Supplier's liability for fraudulent misrepresentation.  
2.4 Each order or acceptance of a quotation for Goods by the Buyer from the Supplier shall be deemed to be an offer by the Buyer to buy Goods subject to these conditions.  
2.5 No order placed by the Buyer shall be deemed to be accepted by the Supplier until a written acknowledgement of order is issued by the Supplier or (if earlier) the Supplier delivers the Goods to the Buyer.  
2.6 Any quotation is given on the basis that no Contract shall come into existence until the Supplier despatches an acknowledgement of order to the Buyer. Any quotation is valid for a period of 30 days only from its date, provided that the Supplier has not previously withdrawn it.  
2.7 In the event that the Supplier agrees to accept the return of Goods which have been ordered by the Buyer in error, the Buyer undertakes to pay to the Supplier a reasonable fee for the expense incurred by the Supplier in handling the return, which shall be no less than 25% of the value of the Goods returned.

## 3. DESCRIPTION

The quantity and description of the Goods shall be as set out in the Supplier's quotation or acknowledgement of order.

## 4. DELIVERY

- 4.1 Unless otherwise agreed in writing by the Supplier, delivery of the Goods shall take place at the Supplier's place of business.  
4.2 Any dates specified by the Supplier for delivery of the Goods are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time.  
4.3 Subject to the other provisions of these conditions the Supplier shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar losses), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Supplier's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless the Buyer has given the Supplier 21 days written notice, provided that, if delivery occurs within such notice period the notice shall be void and delivery shall be deemed to have taken place.  
4.4 If for any reason the Buyer fails to accept delivery of any of the Goods when they are ready for delivery, or the Supplier is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:  
4.4.1 risk in the Goods shall pass to the Buyer (including for loss or damage caused by the Supplier's negligence);  
4.4.2 the Goods shall be deemed to have been delivered; and  
4.4.3 the Supplier may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, rehanging, storage, insurance and redelivery costs).  
4.5 The Supplier may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract.  
4.6 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.

## 5. NON-DELIVERY/ FAILURE TO FIT OR INSTALL

- 5.1 The quantity of any consignment of Goods as recorded by the Supplier on despatch from the Supplier's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.  
5.2 The Supplier shall not be liable for any non-delivery of Goods (even if caused by the Supplier's negligence) unless the Buyer gives written notice to the Supplier of the non-delivery within 7 days of the date when the Goods would in the ordinary course of events have been received.  
5.3 The Supplier shall not be liable to the Buyer for any failure to fit or install the Goods correctly if such failure arises as a result of the Buyer's failure to order Goods of the correct specification for the fitting or installation.  
5.4 Any liability of the Supplier for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.  
**6. RISK/TITLE**  
6.1 The Goods are at the risk of the Buyer from the time of delivery.  
6.2 Ownership of the Goods shall not pass to the Buyer until the Supplier has received in full (in cash or cleared funds) all sums due to it in respect of:  
6.2.1 the Goods; and  
6.2.2 all other sums which are or which become due to the Supplier from the Buyer on any account.  
6.3 Until ownership of the Goods has passed to the Buyer, the Buyer shall:

- 6.3.1 hold the Goods on a fiduciary basis as the Supplier's bailee;  
6.3.2 store the Goods (at no cost to the Supplier) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Supplier's property;  
6.3.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and  
6.3.4 maintain the Goods in satisfactory condition and keep them insured on the Supplier's behalf for their full price against all risks to the reasonable satisfaction of the Supplier. On request the Buyer shall produce the policy of insurance to the Supplier.  
6.4 The Buyer may resell the Goods before ownership has passed to it provided that any sale shall be effected in the ordinary course of the Buyer's business at full market value.  
6.5 The Buyer's right to possession of the Goods shall terminate immediately if:  
6.5.1 the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking or any part thereof, or documents are filed with the court for the appointment of an administrator of the Buyer or notice of intention to appoint an administrator is given by the Buyer or its directors or by a qualifying floating charge holder (as defined in paragraph 14 of Schedule B1 to the Insolvency Act 1986), or a resolution is passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or  
6.5.2 the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe or perform any of his/its obligations under the Contract or any other contract between the Supplier and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or  
6.5.3 the Buyer encumbers or in any way charges any of the Goods.  
6.6 The Supplier shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Supplier.  
6.7 Display material remain the property of the Supplier and may be recalled at any time.  
6.8 The Buyer grants the Supplier, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or where the Buyer's right to possession has terminated, to recover them.  
6.9 Where the Supplier is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Supplier to the Buyer in the order in which they were invoiced to the Buyer.  
6.10 On termination of the Contract, howsoever caused, the Supplier's (but not the Buyer's) rights contained in this condition 6 shall remain in effect.  
**7. PRICE**  
7.1 Unless otherwise agreed by the Supplier in writing, the price for the Goods shall be the price set out in the Supplier's price list published on the date of delivery or deemed delivery and the Supplier reserves the right to vary the Supplier's price list without notice to the Buyer although the Supplier will confirm its price list by request.  
7.1 Unless otherwise stated, the price for the Goods shall be exclusive of any value added tax and all costs or charges in relation to packaging, loading, unloading, carriage and insurance, all of which amounts the Buyer shall pay in addition when it is due to pay for the Goods.  
**8. PAYMENT**  
8.1 Payment of the price for the Goods is in pounds sterling.  
8.2 Unless credit facilities are offered by the Supplier payment shall be prior to delivery.  
8.3 If credit facilities are offered by the Supplier payment shall be due 30 days from the date of the Supplier's invoice following delivery.  
8.4 If credit facilities are agreed between the parties and the Buyer exceeds the agreed level of credit, the excess shall be payable immediately.  
8.5 Time for payment shall be of the essence.  
8.6 No payment shall be deemed to have been received until the Supplier has received cleared funds.  
8.7 Without prejudice to any other rights or remedies available to the Supplier, where a Buyer's cheque for payment for the Goods is dishonoured, the Supplier may charge the Buyer an administration fee of up to £25 for the related costs incurred by the Supplier.  
8.8 Where any payment is overdue the Supplier may:  
8.8.1 withhold delivery of any other Goods ordered by the Buyer; and  
8.8.2 charge to the Buyer the reasonable collection and debt recovery costs incurred in seeking to recover such overdue payment including but not limited to an administration charge of a minimum of £25.  
8.9 Where the parties agree a payment schedule and the Buyer defaults on any part of the payment schedule, the payment schedule shall be void and any amount owed by the Buyer to the Supplier shall immediately become payable, including any previously waived fees or interest.  
8.10 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Supplier to the Buyer.  
8.11 If the Buyer fails to pay the Supplier any sum due pursuant to the Contract, the Buyer shall be liable to pay interest to the Supplier on such sum from the due date for payment at the annual rate of 8% above the base lending rate from time to time of the Royal Bank of Scotland Plc, accruing on a daily basis until payment is made, whether before or after any judgment. 9.2 The Supplier shall not be liable for a breach of the warranty in condition 9.1 unless:

9.3.1 the Buyer makes any further use of such Goods after giving such notice; or

9.5 The Supplier does not warrant that any goods are fit for particular purpose unless specifically so warranted in writing, and is not liable for any fixings, fittings, cutting, adjustments or specific site conditions, or contractor's works on behalf of the Buyer or third party, and not in the direct employ of the Supplier.  
9.6 If the Supplier complies with condition 9.4 it shall have no further liability for a breach of the warranty in condition 9.1 in respect of such Goods.  
9.7 Any Goods replaced shall belong to the Supplier and any repaired or replacement Goods shall be guaranteed on these terms for the unexpired portion of the 12 month period.
