DOORS BY DESIGN

Virtu-AL is the ultimate contemporary entrance door. Combining the finest qualities of a composite door with the premium finish of an aluminium entrance door, it is fast becoming the architect's product of choice.

This revolutionary new door design turns the traditional look of a composite door on its head and offers an unrivalled ultra-modern finish. Comparable to an aluminium door in everything but price, it exudes luxurious style and delivers a premium architectural finish.

It's all in the detail...

Bespoke grooving

Contemporary designer glass

Anodised aluminium glass surround

Modern handles and hardware

Features

Superior thermal & acoustic performance.

Virtu-AL doors are engineered with security in mind. Each and every Virtu-AL door has the best security hardware and is PAS24 compliant.

For extra peace of mind, choose from a range of security upgrades including the high-security Ultion lock, and the ground-breaking Lock Lock security handle.

Aluminium glass surround.

Complete the contemporary look with sleek aluminium edging for your glazed sections. Available exclusively with Virtu-AL, the anodised aluminium edging beautifully frames your choice of designer glass designs.

Strong, safe and secure.

Virtu-AL improves the efficiency of your home with advanced protection from outside noise and the ultimate thermal technology to retain heat in your home and keep the cold out.

Designer glazing.

Carefully crafted specialist glass designs have been exclusively created for the Virtu-AL door range.

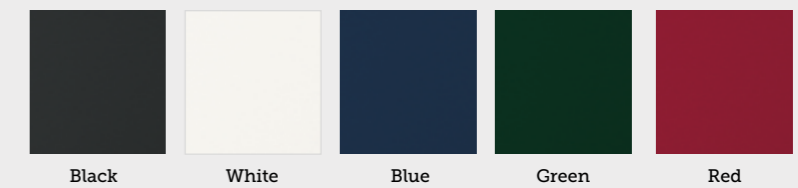

Personalise your door.

Superior Colours.

Standard Colours.

Colour Match.

Much like aluminium doors, Virtu-AL can be powder-coated with any RAL colour in our state-of-the-art paint studio.

Colours as accurate as the printing process allows. Due to the hand staining and painting process we can't guarantee an exact colour match between the door and the external door frame.
